REFERENCE POINT:
Kuybyshev/Bezymyanka Airfield, BE No [redacted] 53°13'10"N - 50°19'10"E. 25X1A

LOCATION:
10 nm east-northeast of reference point.

FUNCTION:
One of a group of sites deployed for the defense of Kuybyshev.

SITE STATUS:
Mid stage of construction.

REMARKS:
Excavation of the six launch pits, the guidance area revetments and the missile hold revetments has been completed. Initial clearing has begun on the complex network of service roads. Ten tent support bases and two support buildings are located at the site.
Site is situated on relatively flat terrain in a predominantly agricultural area.
A SAM support facility 10 nm to the west probably will serve the site.
